PREPARING FOR THE INSTITUTE

Come dressed comfortably, ready to learn and have fun!

Please review the Protecting You/Protecting Me curriculum introduction* before you come to training. Additionally, please bring a copy of your 2009-10 school schedule to aid in implementation planning. Review the Implementation Plan* as well as we'll be working on that the last day.

As you pack, leave a little extra room in your suitcase or trunk - you'll be going home with new materials (two manuals in 1" binders, two booklets, a VHS tape and a poster). Upon completion of training and submission of your Memorandum of Understanding (MOU)* and Implementation Plan, PYPM curriculum kits will be sent to you.

*These will be emailed to you upon receipt of your application form.

GROUND TRANSPORTATION

The Austin Airport Marriott South is 22 miles from the Austin-Bergstrom International Airport (AUS).

Airport shuttle service is approximately \$20/one-way from the airport. **Hotel parking** is complimentary. **Carpooling** is encouraged between the hotel and the Commons Center.
