

Competitive Events!

3 New Events!

Competitive Events are competitions in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills, and occupational preparation.

Competitive Events offer individual skill development through the following:

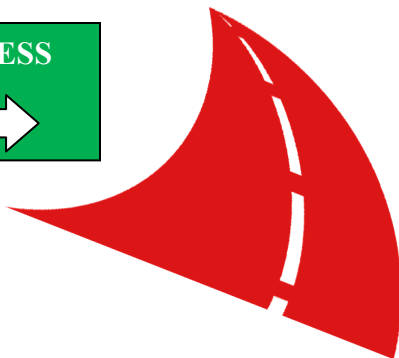

- **Cooperative**— teamwork to accomplish a specific goal.
- **Individualized**— members work alone to accomplish specific goal.
- **Competitive**— individual or team performance is measured by an established criteria.

We are very excited to announce the addition of three new STAR Events to Texas FCCLA. They include :

- Advocacy
- Leadership
- Nutrition & Wellness

This will open more Texas spots to advance to National Competition.
