

DANCE FOR THE CHILDREN 2010

The national community service project this year is to work with Children's Miracle Network across the United States.

In Texas, we want all FCCLA chapters to stand together for the children by participating in the FCCLADance for the Children Event at the State FCCLA Leadership Meeting. Start working today to help Texas reach their state meeting goal of at least \$6500 by getting donations for our cause.

What is "FCCLADance for the Children?" – an event taking place Friday, April 9 from 8:30-11:30 p.m. at the State FCCLA meeting. Activities and dancing will be done to support the young children in one of the Children Miracle Network Hospitals.

How do we help? –Go to www.helpmakemiracles.org/event/texasfccla

Register (individually or with a team) to get donations for the cause. Send out your information to everyone in your contact list or through your social networking sites. Follow the simple directions on the website to get registered.

The event at the state meeting will be to celebrate our successes and raise more funds for the children; if everyone at the state meeting donates just \$2, Texas FCCLA will meet their goal.....Those giving as least \$2 will receive a button for their donation; those giving more will get additional recognition.

Prizes:

Flat screen television – to the students that raises the most money!

MP3 Player – second highest fund raiser

Gift Cards and Additional Gifts for team that raises the most money
