Candidate's Name: Katie Janda

Office Seeking: Vice President of Peer Involvement

FCCLA Offices held (specify if local, regional, etc.) Vice President of Projects

Power of One projects completed Promoting FCCLA

Contributions the candidate has made to Family, Career and Community Leaders of America, the Family and Consumer Sciences program and the school and community:

Local/Regional/State: As the Vice President of projects for the Needville Chapter I have organized a chapter service project to gather supplies needed for a local Animal Shelter. I am also currently working on organizing a chapter service project to help raise money for "Share are Strength", by putting out decorated bins outside our two local grocery stores. Then in the semester that is to follow, I am organizing a dance for our senior citizens home. This will be a valentine's dance as a way for the seniors of our community to feel wanted and appreciated during a time most do not visit them.

School/Community:

As a member of my community here are some of the following activities I participate in to help my community out. During the summer I work as a library aid. The basic foundation of this job is to do odd jobs and help the children that come in during summer. I help with the events and projects we do there, as well as, sorting and filing books. Another activity I am involved in this summer was a camp counselor at my church. I escorted my group of kids to different activates during the camp. Following how much I loved being a camp counselor at my church I decided to become a teacher's aid. With this job I will assist the teacher in any help he/she may need. Last I am a tutor at my school. With me being a tutor I feel like I am contributing to my school and also in the process helping kids.
