

Texas FCCLA Evaluator Information

The Texas Association Family, Career and Community Leaders of America (FCCLA) is in need of evaluators (judges) for our regional and state leadership conferences. FCCLA members (middle & high school students) from across Texas have prepared projects and are in need of adults to score them and provide constructive feedback. Please review the detailed information below.

Who: Any adult can serve as an evaluator, prior experience is not required. Evaluators will receive on-site training in the specific event they evaluate. You will be evaluating alongside another adult and will have a lead consultant to help each step of the way.

What: FCCLA offers more than 30 different competitive event opportunities. Evaluators use an established rubric to score the oral presentation and/or the student’s portfolio/display. Lunch is provided and if your event runs long, dinner will be provided as well.
