## FCCLA Profile

### WHAT ?

## *The Ultimate Leadership Experience*

FCCLA is the only career and technical In-school student organization with the family as its central focus. Participation in state and national programs and chapter activities help members become strong leaders in families, careers and communities.

Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop skills for life— planning, goal setting, problem solving, decision making and interpersonal communication—all necessary in the home and workplace.

### GOVERNANCE

**State Board of Directors** - composed of adult representatives from education and business plus student representatives.

**Executive Council** - composed of region and state officers whose responsibilities are to make programming decisions for the association.

**Local Chapters** - elect their own officers. Local advisors are family and consumer sciences teachers in public and private schools.

Family, Career and Community leaders of America (FCCLA) is a non profit national Career and Technical Student Organization for young men and women enrolled in Family and Consumer Sciences education in public and private schools through grade 12.

### WHO?

**More than 1 million**

Texas youth since 1945

### WHERE?

In middle and senior high school classes where family and consumer sciences is taught;

**175 counties** in our state

**OFFICER TRAINING CAMP**—130 officers and advisors convened to learn about the roles of a region and state officer, learn leadership skills, learn team building and communication techniques, set goals and make plans for the upcoming school year.

**FALL LEADERSHIP WORKSHOPS**— region and state officers conduct trainings locally for members to educate them about FCCLA and family and consumer sciences. These trainings are planned and carried out by the officers. Approximately 8,000 local members were trained in 2022.

**CIVIC ENGAGEMENT PRESENTATIONS**—more than 50 presentations were made by the region and state officers to inform local civic organizations and school boards about their involvement in FCCLA and to explain FCCLA's involvement in their community.

**REGION LEADERSHIP CONFERENCES**—in five region conferences around the state, the association served over 6,900 students and teachers with motivational speakers, workshops, competitive events and service learning activities during the 2-day conferences.

**STATE LEADERSHIP CONFERENCE** – Over 3,500 members and advisors participated.

Texas had over 3,700 participants participate in competitive events on the region level and over 2,000 participants at the state level. Over 315 participants represented Texas in national STAR Event competition. Texas received 167 gold, 113 silver and 13 bronze medals.

## EXHIBITING & SPONSORSHIP OPPORTUNITIES

# FCCLA<sup>®</sup> TEXAS

Universities, fundraising companies, educational companies, and various businesses have direct exposure to FCCLA members and to Family and Consumer Sciences teachers at the region and state conferences.

An exhibit area at the FCCLA State Leadership Conference is available to interact with more than 3,500 attendees and influence Family and Consumer Sciences educators, decision makers and students attending the state sponsored conference.

Participation in the state leadership conference exhibit program includes opportunities to present workshops.

The five region leadership conferences offer opportunities for table top exhibits. The attendance at these conferences range from 1,000 - 1,800 students and advisors.

Sponsorship opportunities are unlimited. If interested in becoming a sponsor, please contact [fccla@texasfccla.org](mailto:fccla@texasfccla.org).
